

# GREENER TOGETHER EVENTS REPORT

## General Event Statistics

**131**

Greener Together events hosted between April 2023 - April 2024

**1,200**

Groups and families attended Greener Together events

**17**

New partners we have worked with to deliver Greener Together events over the year,

“A great nature event for my family, thank you for putting this on.” (Oakley Library Customer)

“Thank you for a very enjoyable session – friendly, relaxed and informative, with something to take home afterwards. More one off practical sessions in libraries please.” (Hucclecote Library Customer)

## Wild & Green Partnership

Gloucestershire Libraries formed a partnership with a local forest school and outdoor learning provider Wild & Green to host a series of events across our sites from April 2023 - April 2024.

In the year we have welcomed over **485** groups and families and we have worked with **5** school groups.

Activities have included making bug hotels, woodwork to make bird boxes, clay hedgehogs, firelighting, nature crowns, etc

## Other Green Themed Event Highlights

Willow Workshops

Upcycling Christmas Cards for Local Care Homes Project

Costume Swaps

Clothes Swap & Upcycling Sessions

ZooLAB Discovery Workshops

## GREENER TOGETHER WEEK

16 – 23 MARCH 2024

A series of author events and community garden events to explore ways in which individuals and local communities can take practical steps towards leading a greener, lower carbon lifestyle.

“I visited two events during this campaign and I thoroughly enjoyed both of them. I have just loaned books by both of the authors I saw. What a great opportunity, thank you!” (Cheltenham Library Customer)

**22**

Events hosted during the Greener Together Week

**11**

Author events linked to the environment with local schools

**325**

people engaged with the events

## Mini Gardening Festival

SCAN ME

3 day festival across Churchdown, Fairford and Quedgeley Libraries.

A range of activities for children and families to learn more about the natural world and how you can grow more for nature back at home.

**202**

People engaged with over the three days

“Very informative session and I was so pleased that my 4 year old was able to answer of all the quiz questions at the end after learning from Lee during the session.” (Quedgeley Library Customer)
